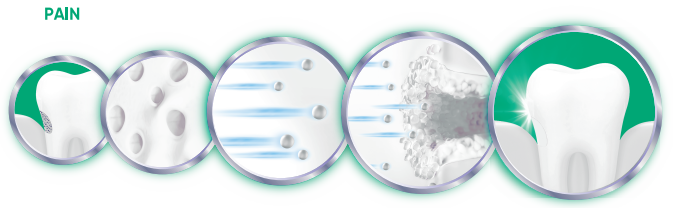
SENSODYNE

RAPID RELIEF

What is tooth sensitivity?
Sensitivity occurs when the dentine underneath tooth enamel becomes exposed. When exposed dentine comes into contact with hot or cold, sweet or sour drink or food, or even your toothbrush, it can trigger the nerve causing a short sharp pain.

CAUSE OF SENSITIVITY PAIN | TINY HOLES IN DENTINE | FAST ACTING FORMULA | QUICKLY CREATES A BARRIER | FAST RELIEF FROM PAIN



*Fast RELIEF and Long Lasting Protection**

Sensodyne Rapid Relief Extra Fresh provides fast relief from the pain of sensitivity.

Its unique formula acts to quickly create a barrier over sensitive areas of your teeth.

It starts providing relief from the first brush, and with every brush builds ongoing protection.

*with twice daily brushing

Why use Sensodyne Rapid Relief Extra Fresh?
It's a fast way to relieve sensitivity pain, and help stop it coming back. With twice daily brushing, it builds ongoing protection from the pain of sensitive teeth and helps maintain healthy gums. It leaves your mouth feeling clean and fresh, and also whitens and prevents staining.

DIRECTIONS FOR USE: DO NOT SWALLOW. Not for use by children 12 years of age or under unless on the advice of a dental professional or doctor. For fast relief, brush sensitive teeth first OR squeeze a pea-sized amount on a clean fingertip and gently rub into the sensitive area (max twice a day) for one minute before brushing. Do not use if carton seals are open. **ALWAYS FOLLOW THE LABEL.** Brush twice a day and not more than 3 times, be sure to spit out. If irritation occurs discontinue use. Keep out of reach of children. Replace lid to keep product dry.

WARNINGS AND PRECAUTIONS: Sensitive teeth may indicate an underlying problem that needs prompt care. If symptoms persist or worsen consult your dentist. Store below 30°C.

INGREDIENTS: Glycerin, PEG-8, Hydrated Silica, Pentasodium Triphosphate, Flavour, Sodium Lauryl Sulfate, Titanium Dioxide, Carbomer, Stannous Fluoride, Cocamidopropyl Betaine, Sodium Saccharin, Sodium Fluoride, Limonene.
