

**Caltrate VITAMIN D DAILY** helps supplement vitamin D where dietary intake may be deficient. Vitamin D maintains bone strength, as well as supporting calcium absorption from the diet.

**Directions for use:** Adults take one soft capsule daily with liquid after a meal, or as directed by your health professional. Do not exceed the recommended daily dose.

**Each soft capsule contains:**

Colecalciferol (Vitamin D<sub>3</sub>) 25 micrograms (1000IU).  
Contains: soya bean products and sulfites.

This product is not a calcium supplement. Suitable for sodium restricted diets. Vitamin supplements should not replace a balanced diet. Consult your doctor before use, if you are taking medication.

Seek medical advice for use under 18 years. Ask your health professional before use if you are pregnant or breastfeeding.
