PHARMA CODE REF. IS: 635

Centrum
FOR MEN 50+
Supports vitality, immunity, heart health + cognition

64 x 64 x 118

NN 635

Contains multiple vitamins to help fill nutritional gaps.

With B vitamins and folic acid to support vitality.

With key antioxidants such as vitamins A, C & E, betacarotene, selenium and zinc to support healthy immune system function.

With vitamin B6 and folic acid to help maintain a healthy heart.

With B5, iron and zinc to support cognition. Supports memory in adults aged 65+.

WARNING: This product contains selenium which is toxic in high doses. A daily dose of 150 micrograms for adults of selenium from dietary supplements should not be exceeded. Talk to your health professional before use if you are breastfeeding. Not for the treatment of iron deficiency conditions. Vitamin and mineral supplements should not replace a balanced diet. If taking other supplements, read the label since supplements may contain the same ingredients.
Keep out of reach of children. In case of accidental overdose, contact your doctor or Poisons Information Centre immediately (Australia: 13 11 26, New Zealand: 0800 764 766).
CONTAINS: Sulfites, colourings and tabletting aids.
The recommended daily amount of vitamin A from all sources is 700 micrograms retinol equivalents for women and 900 micrograms retinol equivalents for men.
DIRECTIONS FOR USE: WARNING: When taken in excess of 3000 micrograms retinol equivalents, vitamin A can cause birth defects. If you are pregnant or considering becoming pregnant, do not take vitamin A supplements without consulting your doctor or pharmacist.
Dosage: Adults 18+: Take one tablet daily with water.
Do not exceed recommended daily dose. Store below 25°C

DO NOT USE IF SEAL UNDER CAP IS TORN OR MISSING
