**Product Facts**

**Medicinal Ingredients** (per spray)  
30% Seawater equivalent to 9g/L (0.9% Sodium Chloride with other trace elements)

**Uses**  
•Helps relieve nasal symptoms such as nasal congestion associated with the common cold and allergies by clearing mucus secretions from nasal passages. •Moistens and soothes to help relieve nasal dryness. •Maintains healthy sinuses. •Helps to decongest and clear stuffy nose associated with common cold and allergies.

**Warnings**  
**Do not use** •If allergic to any of the ingredients. •If severe nasal passage is completely blocked. •If you have an ear infection or blocked eustachian tubes. •After the expiry date shown on the packaging. •If heated or damaged.

**When using this product** •Keep and consult the carton before each use. •Do not inhale. •Use only if the container by more than one person may spread infection. •Always wash the equipment.

**Stop use and ask a health care practitioner if:** •Nasal irritation occurs. •Symptoms persist or worsen. •You experience any discomfort. •There is no improvement after you have tried to clear the nose. •You discharge or experience thick and yellow or green. •The skin at the base of the nose becomes raw or cracked. •Your child has any other signs or symptoms of these issues as listed on our website. •You experience any pressure in the ears, discomfort, nasal bleeding, nose bleeds, or headaches. •Keep out of reach of children.

**Directions**  
Aids and children 6 years and over. Recommended use is 1 spray per nostril, 1-2 times per day or as often as needed. For children under 11 years of age, Otrivin Natural should be used under adult supervision. If already congested people, the use of the spray bottle may require help from an adult. •Hold the tip with a clean tissue or ring with water before and after use. If possible, gently blow your nose right before you use the product. •Standing in front of a wash basin or sink, bend your head forward to your upper nostril. Do not insert the tip of the bottle into the nostril. •Place the tip of the bottle at the base of the upper nostril. Do not insert the tip of the bottle more than 1 cm into the nostril. •Push the nozzle gently to dispense spray. Dispense spray for at least 1 second, direct the spray to the right. Blow or wipe the nose after use. •Sharing your device with anyone else may spread infection. You may experience a temporary feeling of nasal dryness if mucus membranes are highly irritated.

**Other information**  
Contains water preservative. May contain 11 herbs. Do not place in hot water or near radiators, stoves or other sources of heat. Do not use microwave. Do not puncture or incinerate container. Do not expose to temperatures over 50°C. Store between 15-30°C in original carton.

**Non-medicinal ingredients**  
Aqua, Cortina Hamam as inert, colorants.
