Minis

Your bones are awesome! They are actually made up of 2/3 minerals and 1/3 collagen, a combination that helps support strong bones that can also flex under pressure. But over time, they need help staying healthy.

That's why Caltrate MINIs Plus Minerals is the only small size Calcium supplement that is formulated with the Calcium, Vitamin D₃, and Magnesium you need for bone strength, plus Zinc and other essential minerals that support collagen production for healthy, flexible bones.*

Minis Leading small size calcium supplement

35% smaller^{††} VS.

- ✓ Extra minerals to support bone flexibility[^]
- ✓ 3x more Vitamin D₃^{††}

Actual size visual comparisons
