ACTIVE GUM HEALTH

MINT

Clinically proven ingredient to
protect against gum problems

Drug Facts

Active ingredient

Cetylpyridinium chloride 0.07% w/w.....Antigingivitis, Antiplaque

Purpose

Uses helps prevent and reduce plaque that leads to ■ gingivitis, an early form of gum disease ■ bleeding gums

Warnings

Stop use and ask a dentist if ■ irritation occurs ■ gingivitis, bleeding, or redness persists for more than 2 weeks ■ you have painful or swollen gums, pus from the gum line, loose teeth, or increasing spacing between the teeth. These may be signs or symptoms of periodontitis, a serious form of gum disease.

Keep out of reach of children under 6 years of age. If more than used for rinsing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Directions

■ **adult and children 6 years of age and older:** vigorously swish 20 milliliters (4 teaspoonfuls) of rinse between your teeth twice a day for 30 seconds and then spit out. Do not swallow the rinse. Do not rinse with water. Do not drink from the bottle. ■ **children 6 years to under 12 years of age:** supervise use ■ **children under 6 years of age:** do not use

Other information

■ this rinse is not intended to replace brushing or flossing ■ may cause staining ■ Do not store above 25°C or 77°F

Inactive ingredients

Water, glycerin, flavor, poloxamer 188, sodium saccharin, propylene glycol, sodium benzoate, sucralose, benzoic acid, blue 1
