ALWAYS FOLLOW THE LABEL

**Healthy gums don't bleed**

If you spit blood when you brush or floss, it could be a sign of early gum disease. parodontax is clinically proven to help reduce bleeding gums\* by removing the plaque buildup that can cause gums to swell and bleed.

**parodontax is a daily fluoride toothpaste that also prevents cavities, provides fresh breath, and whitens - for healthy gums and strong teeth.**

parodontax Whitening toothpaste offers a fresh, minty flavor.

\*with twice daily brushing
